Action Plan 2025-26

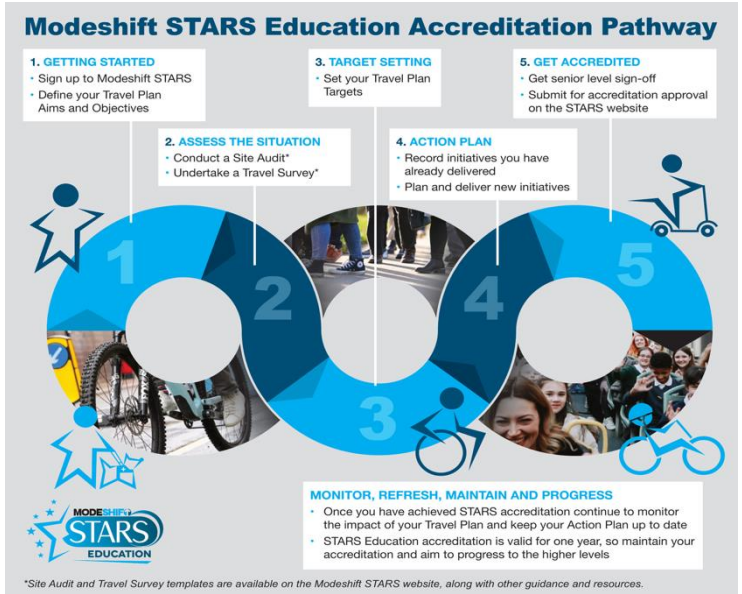

Objective One

To develop our understanding about air pollution and the impact that idling can have on our environment and health.

Action Points

1. Complete workshops with the Uttlesford Net Zero Programme.
2. Work on video to share our knowledge about idling.
3. Work on attaining the Modeshift STARS Accreditation Award.

Objective Two
To continue to raise the profile of recycling through our actions.

Action Points

1. Run the secondhand book swap in the Summer Term.
2. Share recycling tips with our school community.
3. Explore ways we can reduce the amount of paper we use in our schools

Objective Three

To be aware of and engage in community events that will have a positive impact on our environment.

1. Take part in the RSPB Big Garden and School events in January.
2. Take part in the Great British Spring Clean during 13th – 29th March.
3. Promote doing litter picks at the beach in the Summer Term.
4. Take part in World Ocean day on June 8th.
5. Carry out regular local community litter picks.

Objective Four
To support the Uttlesford Food Bank over the year.

1. Share information about how the Food Bank supports the local community.
2. Arrange for collections during Harvest, Christmas, Easter and end of Summer Term.
3. Deliver collections to the Food Bank.

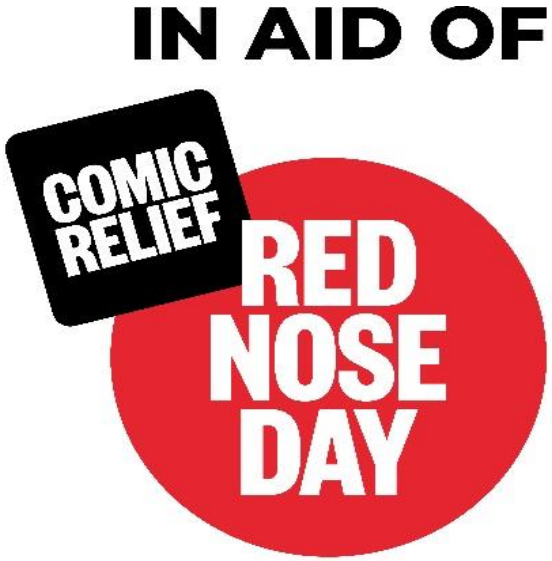

Objective Five
To support National fundraising events over the year.

1. Sell poppies for Remembrance Day.
2. Take part in Children in Need Day.
3. Sell Red Noses for Comic Relief Day and organise a themed day.

Objective Six
To develop our knowledge and understanding about Children's Rights and the impact we can have with our actions.

1. Continue to look at the different articles.
2. Use resources from Article of the Week and Passport around the World to support our knowledge and understanding.
3. Share our knowledge and understanding with the school community and take action.
4. Apply for the Bronze Award
