Child-Friendly School Development Plan 2023-2024

Umbrella Priority

Our teachers know how to make sure that we can all make progress so that we know more, remember more and can do more.

Know More
Remember More
Do More

Objective One

We reach our end of year writing targets because our writing, spelling and handwriting provision is engaging and guides us all in our writing journey.

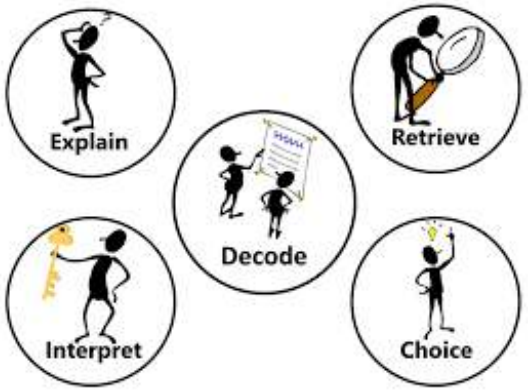

Letter-join

Objective Two

We have a consistent and effective reading system in place at our school.

Objective Three

Learning in the indoor and outdoor environment is engaging and challenging for all groups of children.

Objective Four

We all understand the marking and feedback systems that our teachers use. These help us know what we are doing well and what we need to do next in our learning.

Objective Five

Our spelling programme has a positive impact on writing in all our work. We are supported in meeting our exceeding our SPAG and writing targets.

Christian Objective

We are free thinkers because we understand how to use the lenses when discussing questions in RE lessons.

RE - Learning Through a Lens

Theology Lens - Thinking through Believing

- Ask questions that believers would ask
- Think like theologians
- Explore questions and answers that arise from inside religions and worldviews

Philosophy Lens – Thinking through Thinking

- Ask questions that thinkers would ask
- Think like philosophers
- Explore questions and answers raised through considering the nature of knowledge, existence and morality

Human & Social Science Lens – Thinking through Living

- Ask questions that people who study reality would ask
- Think like human and social scientists
- Explore questions and answers raised in relation to the impact of religions and worldviews on people and their lives

Be Loving

Be Responsible

Be Respectful

Be Positive

Be You

We have the knowledge and skills to be able to recognise and address our behaviour.

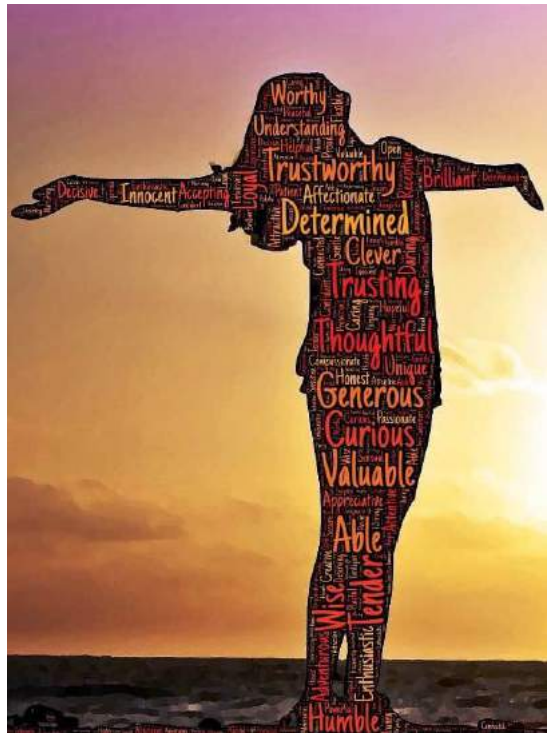

Objective Two

Because we feel valued, respected and empowered, we have a positive attitude and commitment to our learning, and we are motivated to take an active role in school and in the wider community.

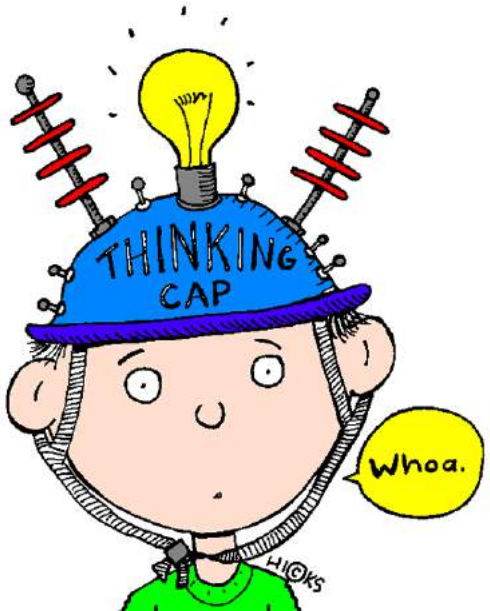

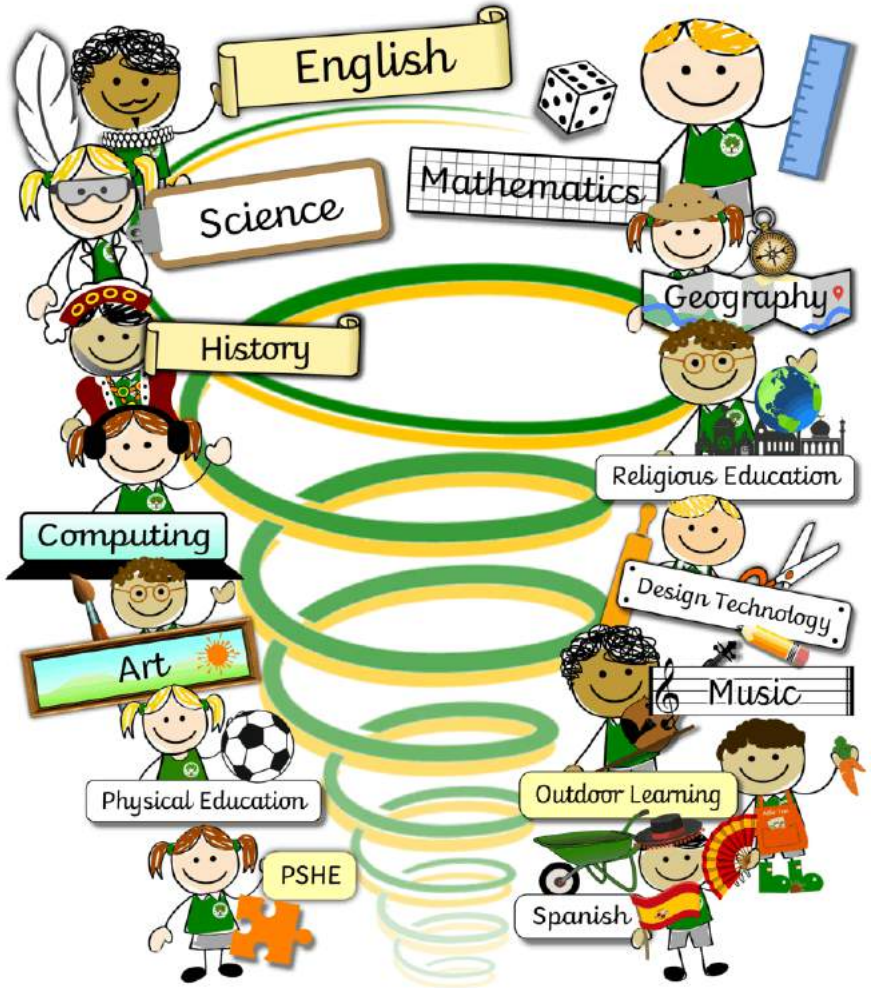

Objective Three

We use metacognitive strategies effectively throughout the curriculum.

Objective Four

Along with our families, we are supported in managing our mental health and wellbeing.

Objective Five

Our school values are part of our everyday life. As we effectively live them out, bullying is uncommon and is not tolerated when it does happen at our school.
